

# BE A LAMP

*Kha Do and Bob Kauflin, As performed by Norton Hall Band*

## INTRO

|: **Dmaj7** /// | **D9** /// | **G** /// | /// :|

## VERSE 1

**D** **Bm**  
Be a lamp for all my days Lord  
**A** **G**  
Bear a torch that I might see  
**D** **Bm**  
Through the fog of bitter pain  
**G** **A** **D**  
And know your purpose lies beneath  
**G** **Bm**  
Oh to taste and see the gospel  
**A** **G**  
As I never have before  
**D** **Bm**  
Be a lamp for all my days  
**A** | **D** /// |  
And I shall walk in endless joy

## TURN

|: **Dmaj7** /// | **D9** /// | **G** /// | /// :|

## VERSE 2

**D** **Bm**  
As I sojourn cross this dessert  
**A** **G**  
Through the plains of doubtful night  
**D** **Bm**  
Speak the words that guide my footsteps  
**G** **A** **D**  
Let them shine as stars so bright  
**G** **Bm**  
Point me northward to thy country  
**A** **G**  
Where my soul will find its home  
**D** **Bm**  
Be a lamp for all my days  
**A** | **D** /// |  
And I shall walk in endless joy

## VERSE 3

**D** **Bm**  
You're the lamp, the light of heaven  
**A** **G**  
Dawn of mercy for all men  
**D** **Bm**  
Through your death and resurrection  
**G** **A** **D**  
Sons of night are born again  
**G** **Bm**  
What a gift so free and moving  
**A** **G**  
Sets ablaze my fainting soul  
**D** **Bm**  
Be a lamp for all my days  
**A** | **D** /// |  
And I shall walk in endless joy

## TAG

**G** **Bm**  
Oh to taste and see the gospel  
**A** **G**  
As I never have before  
**D** **Bm**  
Be a lamp for all my days  
**A** | **D** /// |  
And I shall walk in endless joy
